

Paris Vascular Insights

8-10 NOVEMBER 2023

Carrousel du Louvre, PARIS

**PRELIMINARY
PROGRAMME**

Valid as of:
08/08/2023

PVI, a course to learn,
share and improve vascular techniques for patient care.

More information on www.paris-vascular-insights.com

EDITORIAL

Paris Vascular Insights is a three-day programme focused on bringing you an innovative and interactive education platform in the use of vascular surgical and endovascular techniques. This year the course will be held, from 8 to 10 November 2023, at a new emblematic place in Paris: the Carrousel du Louvre.

Led by Koen Deloose, Eric Ducasse, Yann Gouëffic and Stéphan Haulon, this course will provide each attendee with a high-value content focusing on innovation, interactivity as well as networking opportunities.

The topics addressed will be centered around aortic pathology, peripheral arterial disease, carotid disease, AV access, cardiothoracic and venous disease in all endovascular and open treatment. The most recent studies, data and technical innovations, particularly through case presentations in live conditions, will be analysed and discussed.

The course incorporates demonstrations, vascular skills practice and interactive sessions with educational sessions and industry-sponsored workshops to give each participant a personalised training.

We hope to see many of you in Paris in 2023 for this new edition of PVI.

PROGRAMME AT A GLANCE

Prepare to dive into a 3-day high-value scientific content designed to provide all vascular and endovascular specialists with an innovative and interactive educational platform.

	08:30	09:00	09:15	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30
Wednesday 8 November	Main room		Opening	Aortoiliac occlusive disease			AV access I				Ascending aorta and arch					Vessel prepping					
	Room 2						Live in the box - Carotid					Live in the box - Vein				Live in the box - Aorta					
	Educational room 1	Welcome coffee				Break & visit of the exhibition area	Iliac branch devices			Lunch break		Ultrasound - Basic course			Break & visit of the exhibition area	Home-made solutions for vascular disease					
	Educational room 2				Acute limb ischemia				Management of complex aortoiliac lesions			Carotid endarterectomy									
	Agora						Controversies I				Abstract presentations				Controversies II						
Thursday 9 November	Main room	The common femoral artery: from open to endo				Carotid treatment: basic and strong evidence					Descending thoracic aorta and dissections		Acute limb ischemia: new perspectives				Embolisation: a multidisciplinary approach				
	Room 2	Pulmonary embolisation				AV access II				EuroPCR @ PVI: update on carotid angioplasty and stenting		Live in the box - Aorta				Vascupedia @ PVI: Open surgery for peripheral occlusive disease					
	Educational room 1	Complex aortic aneurysm endovascular repair			Break & visit of the exhibition area	Complex aortic aneurysm endovascular repair			Lunch break	Open repair for infected aortic (endo)graft				Break & visit of the exhibition area	Surgical repair of infrarenal AAA						
	Educational room 2	Management of arteriovenous fistulae				Bypass lower limb				Management of femoropopliteal disease					Closure devices						
	Agora					Abstract presentations				Controversies III		Abstract presentations									
Friday 10 November	Main room	Complex AAA				Taking care of the chronic limb-threatening ischemia patients					Update in aortic and iliac aneurysms		Imaging and more				Definitive treatments for femoropopliteal segments		Closing		
	Room 2	JIF @ PVI			Break & visit of the exhibition area	Live in the box - Aorta			Lunch break	Superficial venous		Deep venous									
	Educational room 1	Surgical repair of infrarenal AAA				Superficial veins treatment															
	Educational room 2	Ultrasound - Basic course			Planning the management of acute aortic pathology																
	Agora					Abstract presentations															

■ Plenary
 ■ Joint session
 ■ Live in the box
 ■ Educational sessions

Valid as of: 18/07/2023

Isabelle Van Herzeele, *Gent, Belgium*

CALL FOR ABSTRACTS & LATE BREAKING ABSTRACTS

Paris Vascular Insights is calling on vascular specialists around the world to submit their abstract.

By submitting your work:

- Enjoy great visibility by sharing your presentation with an international audience
- Gain expertise in your field by getting feedback from renowned professionals
- Play a key role in vascular surgery development
- Create valuable connections and expand your network

CALL FOR ABSTRACTS

This is your chance to showcase your work, contribute to the advancement of vascular insights and have a chance to be awarded for your contribution.

Prize for the best abstract
by vote of the members
of the PVI scientific
committee

Prize for the best abstract
by vote of the participants
attending the PVI 2023
Course

Prize for the best abstract
"young practitioners"
(up to 36 yo) by vote
of the young practitioners
(up to 36 yo) attending
the PVI 2023 Course

**Don't miss
this opportunity,
SUBMIT NOW**

CALL FOR LATE BREAKING ABSTRACTS

Be prepared, the call for late breaking abstracts is coming soon!

Save the date for the opening of the submissions:

4 September, 2023

Don't miss the opportunity to learn, share and improve vascular techniques for patient care, sign up for PVI at a special rate!

Conference registration

All rates below are VAT included (10%)

	EARLY BEFORE 08/08/2023	REGULAR FROM 08/08/2023 TO 05/10/2023	LATE FROM 06/10/2023 TO 07/11/2023	ONSITE FROM 08/11/2023
Physicians & healthcare professionals	700,00€	850,00€	1 000,00€	1 150,00€
Fellows in training & residents*	400,00€	550,00€	700,00€	850,00€
Nurses & technicians*	350,00€	500,00€	650,00€	800,00€
Venous session only	250,00€	400,00€	550,00€	700,00€
Abstract presenters	400,00€	400,00€	550,00€	700,00€
Sponsor industrialists	750,00€	900,00€	1 050,00€	1 200,00€
Non-sponsor industrialists	1 500,00€	1 800,00€	2 100,00€	2 400,00€

*As a Fellow, Resident, Graduate Student or Nurse, you benefit from reduced rates. A proof of status is required for fee application. It can be a copy of your work card, a letter from your Head of Department stamped and signed or a copy of your student card.

Modification & cancellation policy

In case of cancellation of your participation, the reimbursement of the registration fees will be made under the following conditions:

- **Cancellation until 15 Days before the congress** → 100% refund
- **Cancellation less than 15 Days before the congress** → 50% refund

Conference dinner

It will be organised on **November, 9th**. The registration to the dinner is not included in your course registration. The extra fees is € 80 VAT Included.

Registration includes:

- Badge
- Access to scientific sessions
- Access to exhibition area
- Lunches & breaks
- Course App

Registration does not include:

- Conference dinner

Cancellation requests must be sent to the registration department by email at:
registration-pvi@europa-organisation.com

Organise your travel & accommodation

Looking for a hotel?

Europa Booking & Services (EBS) is the official housing bureau for this congress. We have negotiated preferential room rates for you.

For individual reservations (less than 5 bedrooms), please check directly on our dedicated website.
