PRELIMINARY PROGRAM

The ATLAS logo features the word "ATLAS" in a bold, orange, sans-serif font. A stylized black wave or ribbon graphic flows beneath the letters.The PVI aortic logo consists of a stylized orange and black circular icon to the left of the text "PVI" in a bold, black, sans-serif font, with "aortic" in a smaller, orange, sans-serif font below it. The hashtag "#AtlasPVI" is positioned to the left of the icon.

Aortic Therapies

11:35AM-12:30PM - Making every day cases simpler – lessons, tips and tricks

- Infrarenal EVAR with highly angulated necks
- My approach to poor iliofemoral access
- How I made TAMBE cases simpler and quicker
- Little things that make a big difference in radiation exposure

12:30PM-1:00PM - Industry Core Talk

1:00PM-1:45PM - LUNCH BREAK

1:45PM-2:30PM - Keynote address

2:30PM-2:45PM - Industry Power Talk 15'

2:45PM-3:45PM - Stump the keynote speaker – Challenging case competition

OCTOBER 9, 2026

3:45PM-4:15PM - BREAK

4:15PM-4:45PM - Debate: Clash of the titans: Keynote speaker vs the next year's keynote speaker

4:45PM-5:00PM - Industry Power Talk 15'

5:00PM-7:00PM - Setting priorities: what kind of data do we need to make decisions in aortic surgery

- Do we need any more VQI papers on F/BEVAR, or we have all the answers from that database?
- Multicenter collaborations, such as the ARC, are the way to go
- These are the questions that only RCTs can answer – we should do them
- How should we as a subspecialized community obtain funding for high quality, practice changing research?
- When are guidelines relevant and how do I use them to guide my practice
